**Southwestern Ontario Chapter**  
**Nominating Committee Report – November 23, 2021**

**Committee Members**

The Nominating Committee consisted of Trudy Parker and Tammy Phelps.

**Committee Meetings**

The Nominating Committee met in August to identify CEBS candidates to fill various positions on the Board of Directors in 2022. The requirement of this Committee is to bring forward names of interested individuals to fill the following positions for 2022:

- President
- Vice President
- Secretary
- Treasurer
- Board members at large

An email was sent to the 2021 Board members on July 20, 2021, asking all current Board members to indicate their intention to remain on the Board in 2022. Another reminder was sent on August 10, 2021.

An email announcement was sent out by ISCEBS on August 24, 2021, to their database asking for individuals to step forward. To our knowledge, no one indicated interest to that email.

**Proposed Criteria for Board Participation**

Specific criteria have been outlined by the ISCEBS Governing Council when selecting their Board members. In addition, the Chapter Handbook indicates criteria for Board members. Therefore, we are recommending the following criteria be used when filling a Chapter Board position:

- CEBS- Executive positions (President, Vice-President and Secretary / Treasurer) must be filled by individuals who hold a CEBS designation.
- GBA, RPA, CMS, Student- Other Board positions may be filled by an individual who has successfully completed at least one exam towards a designation.
- Fellowship: Attaining a Fellowship designation confirms the ongoing commitment to the ISCEBS program and activities.
- Geographic position: The Board should include individuals from across the Southwestern Ontario region.
- Industry: There should be a good mix of backgrounds, representing employers, advisors and carriers.
- Chapter Involvement: Before taking on an Executive position, a Board member should have filled another role on the Board, to ensure the individual is aware of the position's requirements.
- Gender: It is always good to have a decent mix of male and female Board members.
